**Book Rec: *The Anxious Generation***

Today's overprotected world is messing with our kids' mental health. This book gives real, doable ways to help them grow up healthier and happier.

A few of my favorite quotes:

"The most important thing we can do is give children back a childhood rooted in the real world."

"By depriving kids of independence, we have made them less capable and more anxious."

"Phones became the experience, not a tool to enhance it."

Summer Sunday School for Students

Join us on Sunday mornings this summer from **10:30–11:30am** for a special time of learning, connection, and fun! We'll have two groups:

- **Preschool–4th Grade:** **Starting June 22!**
- **5th–12th Grade:** **Starting June 29!**

Our goal is to grow together in God's Word and build a strong sense of community. Plus, **parents can take part in a Sunday morning Summer Life Group** during this time!

Preschool–4th Grade will begin in the **Sanctuary** for a short opening before heading to the kids' ministry classroom.

Middle & High School students can go straight upstairs to the **High School youth room** after the service.

We can't wait to spend our Sunday mornings with you this summer!
