Your New Year Battle Plan

I came across a post on Facebook that stopped me in my tracks: ***"If we do not make God our priority, our children will not make Him theirs."*** It was a battle cry and a wake-up call in a world where to-do lists, activities, and schedules so easily crowd out time in the Word. The post went on to remind me that the enemy is after our children; their identity, purity, minds, and destiny. And while that threat is real, the devil is already defeated. We have a battle plan rooted in prayer, worship, and making Jesus our true priority. **Join me this year in rearranging our lives by putting Christ at the center of our families and raising disciples who push back the darkness with His marvelous light! Praise be to God!**
