

GROWING IN FAITH IN 5TH GRADE AT KING OF KINGS

Family Sunday School

Family Sunday School invites 3 year-olds through 5th graders and their parents (or another trusted adult) to learn God's Story together.

Each week, families will:

- ✓ Explore Scripture stories
- ✓ Engage in meaningful conversations
- ✓ Participate in activities and discussions
- ✓ Build relationships with other families
- ✓ Discover ways to live out faith together at home

A Note for Parents

As your child enters 5th grade, we are excited to continue building a strong foundation of faith through Family Sunday School. However, our 5th graders will begin to take on leadership roles in the classroom and be taught to mentor and serve our younger students. You can continue coming to Sunday school with your child, or take this year as an opportunity to attend another Sunday morning Life Group.

What Does This Mean for 5th Graders?

Your student will...

- ✓ Continue to grow in their understanding of God's story
- ✓ Build confidence asking and answering faith questions
- ✓ Strengthen relationships with other generations
- ✓ Serve younger students as Bible Buddies, activity leaders, and mentors
- ✓ Transition into Middle School ministry through service projects and youth events

Looking Ahead

This model helps 5th graders strengthen their faith foundation, grow in ownership of their beliefs, and prepare for the next step in their discipleship journey.

**SUNDAY SCHOOL BEGINS
AUGUST 23, 2026**
