Growing Disciples Who Make Disciples

This year, we're excited to launch our Student Discipleship Pathway: a purposeful approach to helping students grow from Learners who know God's Word, to Servants who live out their faith, to Multipliers who invest in others. Because parents are the primary faith influencers in their children's lives, we're placing a special emphasis on family involvement during Sunday School and equipping you to continue these conversations at home. We can't wait to see how God works through this journey as our students grow in faith, discover their purpose, and learn to make disciples who make disciples!
