Growing Disciples: Using the Kairos Circle

The Kairos Circle is a simple tool that helps us recognize how Jesus may be speaking through everyday experiences and respond in obedience. Every moment—whether exciting, disappointing, challenging, or joyful—can become an opportunity to notice God’s presence and grow in faith. Parents, you don’t need to have all the answers; you can simply help your children reflect, listen for Jesus, and respond. Over time, we learn that God is present not just at church, but in the ordinary moments of everyday life.

It's that time of year again... the Pumpkin Patch is returning, and we couldn't be more excited! The Patch isn't just a community favorite, it's also our **largest fundraiser for youth events**

and mission trips. Proceeds from every pumpkin help make retreats, activities, and service opportunities possible for our youth.

To keep the Patch running smoothly, we're counting on all youth families to do their part. **Each youth family is expected to work 4 shifts this season.** Don't worry, it's not just work! Serving at the Patch is FUN! You'll get to meet our neighbors, welcome families from the community, and enjoy time with friends while making a big impact.

Did we mention that families of ALL AGES can serve at the patch? **Even kiddos love to help!** Let's make this Pumpkin Patch our best season yet!

Attention Parents!

It's that time of year!
